

A word cloud of economic and financial terms. The words are arranged in a circular pattern around two central terms, 'price' and 'inflat', which are the largest and most prominent. Other words include 'import', 'expect', 'core', 'product', 'remain', 'declin', 'measur', 'oil', 'year', 'end', 'consum', 'compens', 'earlier', 'commod', 'pressur', 'food', 'low', 'higher', 'level', 'index', 'rise', 'energ', 'recent', 'month', 'increas', 'cost', 'gasolin', and 'inflat'. The words are in various shades of blue and purple, with some appearing in a lighter, more transparent font.
